

REMOTE VIEWING 101 - SESSION WORKSHEET

Hunter's Intuition Practice

Target ID: _____ Date: _____ Start: _____ End: _____

1. PRE-SESSION - GET QUIET, NOT SLEEPY

Minimum 5 minutes of quiet settling before the target ID. Use what works for you: breathing, grounding, soft focus, stillness.

☐ Body settled ☐ Mind quieter ☐ Alert / awake ☐ Ready to notice, not guess

2. FIRST IMPRESSION

What's the first thing that came to you? Don't identify it - just write what showed up first.

3. RAW SENSORY IMPRESSIONS - DESCRIBE BEFORE YOU IDENTIFY

Colors: _____	Temperature: _____
Textures: _____	Sounds: _____
Smells / tastes: _____	Light / atmosphere: _____

4. SHAPES / SPACE / MOVEMENT

What shapes, lines, spacing, direction, size, or movement came to you?

5. DRAW WHAT CAME TO YOU - NO ART SKILL NEEDED

DRAWING SPACE #1

Sketch lines, shapes, spacing, direction, height - whatever came first.

DRAWING SPACE #2

Sketch lines, shapes, spacing, direction, height - whatever came first.

6. AOL / ANALYTICAL OVERLAY - WHAT YOUR BRAIN THINKS IT IS

If a label or guess pops up, write it here, then return to raw description:

7. FINAL RAW SUMMARY

Summarize the strongest impressions without naming the target:

8. AFTER REVEAL - FEEDBACK

☐ Strong correspondence ☐ Some correspondence ☐ Little / no correspondence

What matched clearly? _____

What did I misinterpret? _____

Did an AOL pull me off course? _____

One thing to remember next time: _____
